

## STRATEGIC SOURCING CODE (SSC)

A three-position numeric/alpha field that identifies authorizations involved in Navy's efficiency initiatives, e.g., program reviews, elimination, consolidation, and A-76 competitions.

Applies to both military and civilian.

**Note: This is a mandatory field.**

Any authorization pending the results of an initiative will be identified with the appropriate three character strategic sourcing code as listed below. This includes authorizations identified for elimination. These SSCs are to be assigned in the order of precedence listed in the tables below.
